Get Ready... Get Set... Using the Planning Tools

The following "Museum Visit Planning Guide" can help you plan your class tour. Bring it with you when you visit the Museum for your preview. On the first page, jot down ideas as they occur to you while you look; use the second page to make your plan. Print and complete the page "Our Museum Visit" to guide you during the day of your field trip.

We hope you and your students have a marvelous and memorable visit!
